

## Plant Biology B.A. Degree Checklist

Name \_\_\_\_\_ Dawg Tag \_\_\_\_\_ Cat. Yr. \_\_\_\_\_

| <b>PLANT BIOLOGY</b>                               | Hrs | Grade | <b>Electives</b>                         | Hrs | Grade |
|--|-----|-------|--|-----|-------|
| CHEM 200, 202                                      | 3,1 |       |  |     |       |
| CHEM 201   | 1   |       |  |     |       |
| + 1 semester chem, geog, physics                   |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
| PLB 200  | 4   |       |  |     |       |
| BIOL 307   | 3   |       |  |     |       |
| PLB 300  | 4   |       |  |     |       |
| PLB 304  | 4   |       |  |     |       |
| PLB 320  | 4   |       |  |     |       |
| PLB 360  | 3   |       |  |     |       |
| PLB 480  | 1   |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
| <b><i>Disciplines: 24 hrs at 300/400 level</i></b> |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
| <b>Conservation and Biodiversity</b>               |     |       | <b>College of Science Requirements</b>   |     |       |
| Required PLB 451                                   |     |       | BIOL                                     |     |       |
| Required PLB 493A, B, or C                         |     |       | BIOL                                     |     |       |
| Required ZOOL 410                                  |     |       | MATH 108                                 |     |       |
| At least 13 hrs from PLB 439, 444                  |     |       | MATH 109                                 |     |       |
| FOR 202, 341, 351, 413, 415, 423, 451              |     |       | Physical Sci                             |     |       |
| GEOG 401, 406, 412, 428, 471                       |     |       | Physical Sci                             |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
| <b>Ecology:</b> at least 12 hours from             |     |       | <b>Supportive Skills – 6 hours from:</b> |     |       |
| PLB 410, 416, 435, 439, 440                        |     |       | CS 200B, 201, 202                        |     |       |
| 443, 444, 445, 447, 450, 452                       |     |       | ENGL 290 or 291 or Math 282              |     |       |
|  |     |       | 1 year of Foreign Language               |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
| <b>Molecular and Biochemical Physiology</b>        |     |       | <b>General Plant Biology</b>             |     |       |
| Required PLB 419                                   |     |       | Required: At least one course from       |     |       |
| At least 9 hrs from: PLB 400, 425                  |     |       | each of the disciplines.                 |     |       |
| 427, 433, 438, 471, 475                            |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
|  |     |       |  |     |       |
